Tim & Arian:

Thank you for registering your child/children in our Main Street Dance Classes. We are very excited to begin this 24 week program. Classes begin in the week of Oct. 3rd, 2011.

This letter is to clarify the classes, instructor and time that we have your child registered for. Please review the list below and if you feel it is incorrect or you have questions please be sure to call before classes begin the week of Oct. 3rd.

Included in this mailing is your child's instructor calendar for the dance year. Please post somewhere convenient so that you can reference when the classes will not be held by instructor. If the instructor calendars are adjusted the instructor's will let you or your child know, or a note will be sent home with the child. Also we will make every attempt to keep updates on our website. (fortparksandrec.com) (dance) Right now we have October and November calendars on their.

Also included is a price list for dance apparel and footwear. We do stock children and adult leotards, tights, skirts, ballet shoes and tap shoes. (these are only sold during our office hours 8-12 and 1-5:00) If wanting to purchase shoes for your child please make sure the child is along for the fitting. Our shoe sizes vary drastically from child's normal shoe size, so we have found that if they try them on they get that perfect fit. We also have used items for sale. (don't be afraid to ask to see them)

Thank You Again for your patience and cooperation. We hope this will be another great dance year. If you have any questions or concerns feel free to call our office at 920-563-7781.

Note: If your child finds that dance is not a fit for them, we remind you that if they drop out before December 1st, 2011 you may get a full refund. If it is after December 1st there will be NO refunds.

Mackenzie Creative 3/4 Thursday 5:00 p.m. Ms. Cindy

Thank You,

Melodee Ebbert

Hi Fayth,

The following is a transcription of William's will, proved

 end of transcript.

I have also got a copy of the will of a John Russel dated 11 May 1784. I assume that is the same John Russell as the above beneficiary. Unfortunately, it makes no mention of the Bosanko family, and leaves the majority of his goods to his wife Sarah Russell.

Regards, John.

Hi Fayth,

Thanks for the tree that you sent. I've just returned from a short break, so I haven't yet had a chance to study it properly. One thing I have noticed already is that you have married William JEWEL to a dead Dorcus!

If you check the Crowan burials, you will find: "Dorcas, daughter of Reginald, buried 7br 20 1722". As I said, I will study it more closely along with your suggestions, but, for now, as promised I have transcribed another will for you. It is of particular interest with regard to our discussion of Samuel for two reasons:

1. The mention of John BASTARD, obviously living in a house owned by the deceased.
2. The mention of the estate in BOLONGON, left to John RUSSEL. If this is the same estate referred to in the previous transcript of Thomas's will of 1784, how has the ownership of the estate moved from John RUSSEL to Thomas BOSANKO during the period from sep. 1775 to sep. 1783? It also seems clear to me that the writer of this current will has no children of his own to leave the estate to, as he passes it to his sister's son. I think that this Bolongon estate will give us some answers, if there are any land transfer records available in Cornwall. It is also mentioned in the will of John BOSANKO proved in 1731, which I will send a transcript of in the near future, and also in the will of Thomas REYNOLDS from 1662, which passes it to the BOSANKO family.

the Settlor who is not making an application for supplemental security income, Medicaid or other similar government benefits. The Settlor who is making said application (or for whose benefit the application is being made) shall not be entitled to any payments of income under this trust. If both Settlers (or a surviving Settlor after the death of one of the Settlers) intend(s) to make an application for supplemental security income, Medicaid or other government benefits, then this provision with respect to allocating income shall not apply. Any net annual income not distributed to the Income Beneficiary pursuant to this Article Two, shall be added to and become part of the principal.

2.2. Distribution of Principal. The Trustee is authorized from time to time to pay out of the Trust to the Principal Beneficiary such sums from the principal of said trust as the Trustee determines in the Trustee's discretion. Any one or more of the eligible principal beneficiaries may be wholly excluded from any or all periodic distributions of principal. All principal beneficiaries need not be treated equally or proportionately. The pattern followed in one distribution need not be followed in others.

2.3. Termination Due to Certain Events. In the event that it is determined by either a court or an authority of competent jurisdiction that this trust renders the Settlor ineligible to receive Veterans Administration benefits, Social Security Administration benefits, Supplemental Security Income, Medicare or Medicaid, or other similar government benefits, or if the Trustee, in the Trustee's complete, sole and absolute discretion, determines that notwithstanding the spendthrift trust provision found in Article 10 of this trust, this trust may be subject to garnishment, attachment, execution or bankruptcy proceedings by a creditor of the Settlor or by the federal, state or local government, or any agency or subdivision thereof, then the Trustee shall terminate this trust and distribute the remaining principal, accrued income and undistributed income pursuant to 2.6.2.

2.4. Proper Division of Distributed Property. On any partial or final distribution of the property of this trust as provided in this instrument, Trustee in its complete, sole and absolute discretion may divide and distribute such property in kind, may divide or distribute undivided interests in such property, or may sell all or any part of the property of the trust estate and make division or distribution in cash and partly in kind. The decision of Trustee, either prior to or on any distribution or division, as to what constitutes a proper division of the trust estate shall be binding on all persons interested.

2.5. Death of First Settlor. Upon the death of the first Settlor, the Trust shall remain in effect and continue on for the benefit of the surviving Settlor.

2.6. Termination. Unless previously terminated by the Trustee pursuant to the terms of this trust, this trust shall terminate upon the death of the surviving Settlor, at which time the assets of the trust, including principal, accrued income and undistributed income shall be distributed as follows:

You may view/print a scan of the original list [SCAN 2 3](#) - a monitor set to high resolution is recommended for clarity. Use your back button to return.

Modifications made to scans: In some instances, text was enhanced - there was still an occasional name or list which defied this effort to read it; the Master's signature is usually found at the bottom right corner of the page; some pages have been shortened; excessive black markings have been removed. The last two mods. were to enable the fastest possible display in your browser.

The "Harbinger" - 1848/9

Passenger list of the Harbinger

The "Harbinger" left Plymouth in 1848 for Sydney, where she arrived in 1849, on the 12th of February. On board was my 3x Great-grandmother, Jane Waters, an 18 year old girl from Glasgow, coming to Australia on her own. Her story is covered in The Rankin Story so Far and mentioned in The Boyhood and Youth of William Edmund Rankin

To search for your relatives in the 286 passengers on board, use your browser's "Find" feature. If you need the original records or are after individual passenger's records, they are kept by NSW State Records, microfilm reels 2135 and 2459. Fax them on 61-2-9833 4518 for copies and quotes.
